VO Acceptable Use Policy Template

The following defines the Acceptable Use Policy (AUP) for your Group (Virtual Organisation, VO): Every user joining your VO will see this AUP and needs to accept before being able to join. General Helmholtz AAI policies and AUP of Helmholtz AAI apply. On top, you may define specific conditions for your VO (e.g. specific purpose of using resources), or provide additional information to your users (e.g. specific contacts).

This policy is effective from <automatically inserted when put online>.

1 Acceptable Use Policy and Conditions of Use

This Acceptable Use Policy and Conditions of Use ("AUP") defines the rules and conditions that apply to all users joining the virtual organisation (VO) "<full VO name automatically inserted>".

- The Helmholtz AAI Policies[1] apply.
- The Helmholtz AAI Acceptable Use Policy[2] applies.

You may add further specific conditions for your VO. These additions must not conflict with any of the obovementioned Helmholtz AAI Policies and AUPs.

Lorem ipsum...

2 Contact

The administrative and security contact for this VO and AUP is: {email addresses of all VO Managers}

You may add further contacts (e.g. your support desk) that might help your users.
